# LIQUOR DISTRIBUTION NEWS

**MAY HOLIDAY**

**MEMORIAL DAY**

**ALL STORES MUST BE CLOSED**

**PLEASE REFER TO YOUR PICKING  
CALENDAR FOR CHANGES TO YOUR PICK DATE TO ENSURE

## **SPECIAL ORDER PRODUCT REQUESTS**

Often times we receive requests from agents asking to remove items from their list of special order products that are on back order. Please understand, typically special order products are not stocked in the liquor warehouse. They are ordered on a case by case basis from the vendor specifically for the store that has ordered the specific product. In the event we order a special order product for a store and the store decides they do not want it, we then have a product that sits in the warehouse until, hopefully, another store requests it. In essence when you place an order for a special order product you are committing to receiving it.

If a store notifies us that they want to cancel a backorder for a special order product we will try to accommodate the agent by checking if the product has been shipped by the vendor or if we have had any other store request the product. Keep in mind we may not always be able to cancel a special order product that is on backorder for you.

Additionally, remember each time you order a special order product that is backordered it is added to the backorder list. For example, if you ordered a case of a product last week and again this week, you would now have two cases of that product on backorder. It is extremely important you refer to your backorder list when placing your weekly orders.

Please contact our office if you have any questions regarding special order products or need assistance with the ordering process.

## **RANKING REPORT**

Our most recent ranking report which shows the movement of products from the liquor warehouse to the agency stores is posted to our website at ([revenue.mt.gov](http://revenue.mt.gov), liquor control, agency liquor stores, product information, scroll to bottom) for the period of January 2014 to December 2014. The report will be updated quarterly.

**JIM BEAM BRANDS: SUNTORY HIBIKI 12 YR WHISKEY 130-015960-75** –Allocation for 2015 has been reached and there is no more available.

Many have wondered why Holly Toddy was missing from the holiday order form. We decided to keep Holly Toddy as a special order because some stores like to order it throughout the year. Please remind yourself to order what you need for the entire holiday season in August or September. If you wait until it is closer to the holidays, you will risk not having your order arrive before Thanksgiving.
